Perplexity AI instantly ek concise, well-structured answer

generate karta dikhao, sources ke saath. 'Sources' feature ko highlight karo.]

Ø=Ýãp Host:

"Aur iska integration? Kamaal ka hai! Airtel ne ise seedha unke Airtel Thanks App mein fit kar diya hai, jisse yeh millions of users ke liye super accessible ban gaya hai!"

Ø=Üò [HOW TO CLAIM – STEP BY STEP | 1:10 - 1:50]

Ø<ß™p Host (Clear, concise, aur empowering):

"Chalo, ab aapko batate hain ki aap ise kaise use kar sakte ho. Steps toh itne simple hain ki koi bhi kar lega:"

' Step 1: Sabse pehle, ensure karo ki aapke paas Airtel Thanks App downloaded hai. (Agar nahi hai toh abhi kar lo – link description mein hai!)

' Step 2: App kholo aur 'Perplexity AI' ka option dhundo. Zyadatar yeh homepage par hi dikh jayega, aawaaz lagata hua!

' Step 3: Uspe tap karo, apna sawal likho, aur boom – instant gyaan! Itna aasan hai, yaar!

' Bonus Tip: Saare Airtel Xstream Fiber users ke liye, aur bhi extra free usage mil raha hai! Mazaa hi mazaa!

Ø<ß¥ [Demo screen recording: Smooth, fast-paced walkthrough. Ek ungli se Airtel Thanks App icon par tap karte hue dikhao, phir seedha Perplexity AI feature par navigate karte hue, ek question type karte hue (e.g., "Instant biryani kaise banate hain?"), aur answer turant pop up hota hua. Speed par zor do.]

Ø=Üj "Aapke sawalon ke jawab seedhe powerful AI se milte hain – accurate, bijli ki speed se, aur sources ke saath taaki aapko poora vishwas ho!"

Ø=Üö [BENEFITS – WHY THIS IS A GAMECHANGER | 1:50 - 2:40]

Ø<ß™p Host (Passionate aur persuasive):

"Sunoge toh chaunk jaoge, Perplexity AI sirf ek search engine nahi hai; yeh aapka personal smart learning assistant hai, lekin steroids par!"

Ø=Ý "Chaahe aap student ho jo homework se jujh rahe ho, ya professional jise quick market insights chahiye, ya bas universe ke baare mein curious ho – kuch bhi poochho! Science se lekar politics tak, shopping advice se lekar complex coding help tak – Perplexity AI sab handle karta hai!"

Ø=Ý% "Aur sabse bada jackpot: ZERO ads, ZERO faltu cheezein! Sirf clear, neat, concise answers jo aapke sawalon ke hisaab se bane hain. Fresh hawa ka jhonka hai yeh!"

Ø=Ü@ "Socho toh sahi – yeh Google se zyada smart hai kyunki yeh aapke liye information ko synthesize karta hai, aur ChatGPT se zyada accessible hai kyunki koi login nahi, koi waiting list nahi, aur bilkul koi paid plan nahi – kam se kam abhi toh Airtel users ke liye!"

Ø=Üö [IMPACT ON OTHER SIM USERS | 2:40 - 3:20]

Ø<ß™p Host (Thoda serious, lekin abhi bhi energetic aur impactful):

"Ab aate hain sacchai par... aur yeh Jio, Vi, aur dusre SIM users ke liye thodi mushkil baat ho sakti hai. Airtel ne AI integration mein ek bahut bada kadam uthaya hai, unko bahut aage chhod diya hai."

Ø=ÜÊ "Jabki Airtel users direct AI access, bijli ki speed se results, aur zero extra charges enjoy kar rahe hain, dusre... well, woh abhi bhi purane tareeke se kaam chala rahe hain."

Ø>Ýà "Iska matlab hai ki agar aap koi aur SIM use kar rahe ho – toh aapke paas ek choice hai: ya toh switch karo aur AI search ke future ko apnayo, ya phir digital race mein peeche reh jao!"

Ø<ß¥ [Cut to: Compelling side-by-side comparison. Ek taraf, ek Airtel user effortlessly AI-powered answer Perplexity se pa raha hai. Dusri taraf, ek alag network ka user, visibly frustrated, endless ads scroll kar raha hai, multiple links par click kar raha hai, aur confused ya annoyed dikh raha hai.]

[EXTRA TIPS & TRICKS | 3:20 - 3:50]

Ø<ß™p Host (Helpful aur insightful):

"Lekin Perplexity AI sirf sawal-jawab ka tool nahi hai. Iski poori power unlock karne ke liye kuch pro-tips:"

Ø=Ü¡ Ask Follow-ups: Yeh aapki conversation yaad rakhta hai, toh aap natural chat kar sakte ho!

Ø=Ü¬ Conversational Mode: Ise apna personal tutor ya brainstorming partner bana lo.

Ø=ÜÚ Research Powerhouse: Students, content creators, ya kisi bhi research karne wale ke liye perfect.

Ø=Ý Share & Learn: Answers ko ek tap mein share karo!

Ø<ß¥ [B-roll: Quick cuts showing diverse use cases: ek student essay mein help le raha hai, ek professional report summary kar raha hai, koi trip plan kar raha hai aur instant suggestions mil rahe hain, ek casual user fun facts explore kar raha hai.]

Ø=ÞÑ [LIMITATIONS – KNOW THIS | 3:50 - 4:20]

Ø<ß™þ Host (Honest aur transparent):

"Of course, har nayi tech ki tarah, kuch cheezein dhyan mein rakhni hongii. Filhaal, yeh incredible feature exclusively Airtel Thanks App ke through hi available hai – matlab aapke paas ek active Airtel SIM ya number hona chahiye."

Ø=ÜÅ "Aur jabki sab kuch bilkul FREE hai abhi, future mein kuch advanced, power-user features paid ho sakte hain. Lekin aaj ke liye toh sab aapka hai, bina kisi shart ke!"

Ø<ß¬ [OUTRO + CTA – FINAL THOUGHTS | 4:20 - 4:55]

Ø<ß™þ Host (Excited, empowering, aur seedha camera mein dekhte hue):

"Airtel ne sach mein ek bold, visionary move kiya hai – woh sirf AI integrate nahi kar rahe; woh actively Perplexity AI ke through information se interact karne ka future bana rahe hain!"

Ø=Þ€ "Toh, agar aap Airtel user ho – kis baat ka intezaar kar rahe ho?! Abhi jaake yeh revolutionary tool TRY KARO! Aur agar nahi ho... toh aapne abhi abhi sabse bada reason dekh liya hai switch karne ka! AI revolution mein peeche mat reh jana!"

Ø=ÜI "Kya aapne Perplexity AI try kiya? Comments mein zaroor batana!"

Ø=ÜM "Agar aapko lagta hai AI hi future hai, toh like button ko tod do!"

Ø=Ý "Aur aise hi smart tech updates aur exclusive insights ke liye subscribe karna mat bhoolna!"

Ø<ß¥ [Outro animation with a dynamic Perplexity AI logo transition, then the Airtel logo, culminating in a clear, clickable subscribe button. Maybe a final quick flash of "Future is Here!" text.]
